

SCOREBOARD AND DISPLAY SYSTEMS REQUEST FOR PROPOSALS SHORT-LIST

Based on the proposals received, the selection committee short-listed based on three (3) separate categories; the interior and exterior scopes that do not include the mesh / frame display and/or scorer's tables; the exterior mesh frame display; and the scorer's tables.

The list below represents the teams invited to participate in a presentation / interview on July 15th per the Section 9.0 of the RFP. Teams are invited to continue in the process and must RSVP to the RFP Point of Contact whether or not they intend to participate. Scorer's table responders will not be asked to present.

Teams are encouraged to bring a representative(s) from the manufacturer of the product if the proposing firm does not actually manufacture the product; however, representatives from other proposed subcontractors are not necessary.

Presentation time lengths are based on the amount of scope being proposed. The selection committee intends to issue questions regarding the proposals prior to the interviews. The first half of the allotted time is granted for a presentation of the firm, personnel, and answering questions issued by the selection committee. The second half of the allotted time is devoted to the selection committee Q&A.

The short-listed firms for the full scope proposed are:

1. ANC / Mitsubishi
2. Daktronics
3. T.S. Sports / Lighthouse
4. Technomedia Solutions (Including Element Labs)
5. Vertigo Group (Including Manufacturer)

The short-listed firms for the Mesh/ Frame Display are:

1. Daktronics
2. GKD
3. Technomedia Solutions (Including Element Labs)
4. Vertigo Group (Including Manufacturer)

The Scorer's Table responders will not be asked to participate in interviews on July 15th; however, the following firms are still being considered: ANC / Mitsubishi, Daktronics, and SignCo.
